2018

Годината на Земното Куче според китайския календар.

Годината на Къртичко-Картофчо според ванкувърския календар.

Вико проговори. На чудесен български, опитва и английския.

Прелетя 19 313 km със самолет.

Хвърля камъчета в Ирландско море, Дунав, езерото пред хижа Мусала, река Шпрее и Тихия океан.

Научи се да кара тротинетка и колело с помощни колелца.

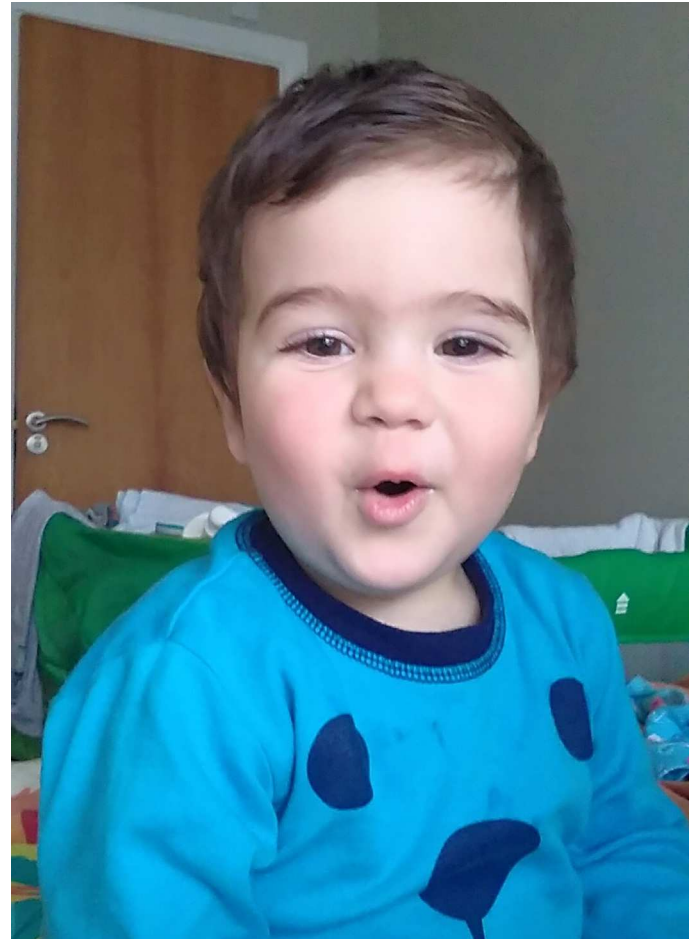

Пее, танцува и свири на китара без струни.

Все още страстно харесва тракторите и се усмихва с най-чаровните трапчинки на света.
